Installation Steps:

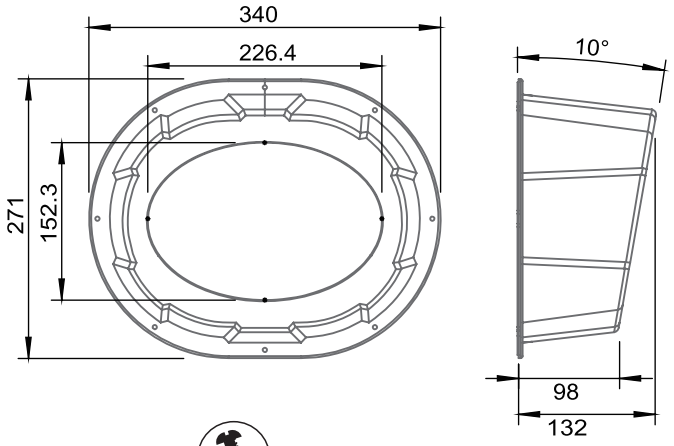

Step 1: Attach the top cushion to the top of the enclosure.

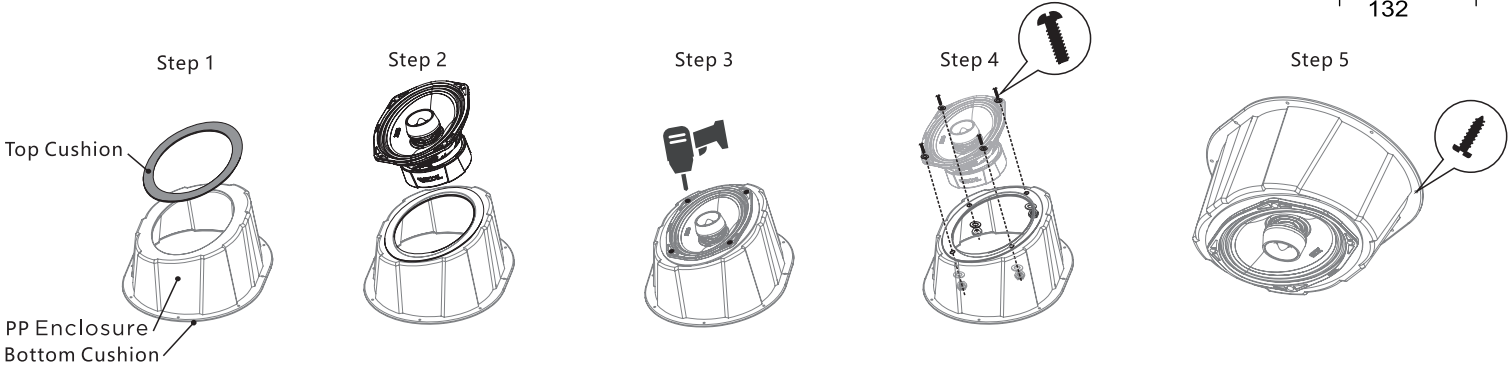

Step 2: Place the speaker into the enclosure, ensuring it is centered.

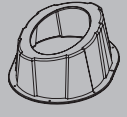

Step 3: Using a 4mm drill bit, drill four pilot holes aligned with the speaker's mounting holes.

Step 4: Secure the speaker using the M4x20mm screws, flat washers, and lock nuts from the accessory kit.

Step 5: Mount the assembled unit on the ceiling or wall. For optimal sound performance, orient the speaker to face the primary listening area.

PP Enclosure (2 pcs)
